**Creating Investor awareness and safeguarding the data**

---

SEBI has communicated to the Exchange that certain fraudsters are collecting data of customers who are already into trading in Exchanges and send them bulk messages on the pretext of providing investment tips and luring them to invest with them in their bogus firms by promising huge profits and there is need to sensitize, create awareness among the investors about the same.

In view of the above, all the members are required to sensitize their investors and create awareness on the above issue. Further members are advised to take necessary steps to safeguards data of the customers / investors registered with them and not to share or reveal such data to unauthorised persons.

Members are advised to take note of the above and comply with the same.
